

# Philcon Guide

# 2008

to restaurants and services in the surrounding area

## Restaurants

### Important Notes:

- The distance in the (. \*) after the address is from the hotel one way.
- If we missed some restaurants and/or stores, that does not imply criticism of those establishments. There are just too many to list.
- Many of these restaurants and stores are family-run, so hours of operation may be subject to unplanned variation. Please call or check their websites.
